MEET KRESSIE

Kressie was diagnosed with breast cancer in January of 2018. Scared, especially after losing her mother just six days after receiving her diagnosis, she felt alone with minimal support around her. But when she enrolled in LIVESTRONG® at the YMCA at Somerville YMCA, she felt comfort all around her. Inspired by LIVESTRONG and to further her healthy living lifestyle, Kressie became a member of the Y with help from the Y’s Financial Assistance program.

“LIVESTRONG strengthened me. The staff opened my mind to coming to the Y. I love the program and the people here, too. Being around positive people really helps your healing. Everyone who was there had different kinds of situations, but we all came together as a family to support each other.”

These days, with her cancer in remission, Kressie is feeling good. She enjoys making decorative beaded jewelry which she has donated to LIVESTRONG participants who recently graduated and other cancer patients.
