MEET CHRIS

Chris is a lifelong athlete. As a runner, triathlete and swimmer, Chris is in great shape. As a cancer survivor, he’s also a warrior.

“After being diagnosed with non-Hodgkin’s lymphoma, I tried to stay as normal as I was before. I knew my body was getting weaker, but I had to continue my workouts. The Y’s U.S. Masters Swimming staff kept me motivated. They watched out for me. Every day they’d ask me how I was feeling. They understood the athlete in me wanted to push forward, but they were so helpful and accommodating when I got tired. I’m now in remission and back to racing. I’m even a better swimmer than I was before, thanks to the techniques I learned from the coaches in the Masters Swimming program. I’m so thankful for their support.”
