YOUR GIFT MAKES IT POSSIBLE... MEET TARYN

When her children were younger, Taryn needed a safe place for her children after school so she could work. She was so happy to find the Y. The Y's Financial Assistance made child care accessible and it opened doors to more opportunities for her children, like the gymnastics team. Taryn has loved watching her children grow up at the Y and, now, she is giving back.

"The Y is a blessing in our lives. At times, my family has experienced difficult economic situations. The Y's financial and emotional support cannot be overstated. It has allowed my children to be engaged in healthy activities, to make friends, and to benefit from mentorship of caring staff. The Y is more than a place we go, it's truly a family. It is important to me to pay it forward by donating to the Y and volunteering. I hope to set an example for my children so they know they, too, can help our community."
