## YOUR GIFT MAKES IT POSSIBLE... MEET ARTIE

For years, Artie has found a second home at the Y. For him, it is a place that promotes health, connections, friendships, and a true sense of community.

"About 15 years ago, I was laid off due to downsizing. I took a hit financially and moved back to NJ. I felt that the Y was a place where I could get the support I needed, and I was right. The Y has helped me socially and physically, and the Y's financial support got me to the point where I am now. I come in, just about every day, to exercise and I feel so much better. The Y has enhanced my life greatly. The staff and other members call me "the mayor". I wear that hat proudly. Now, I volunteer so I can enhance everyone's experience at the Y."
