YOUR GIFT MAKES IT POSSIBLE... MEET LAUREN, JAY & CONNOR

When their son was young, Lauren and Jay looked for a recreational program that was inclusive of children with special needs to help Connor acclimate to social settings. They found it at the Y and, now, Connor is thriving.

"At age 4, Connor was reluctant to leave our side. We searched for a recreational program inclusive of kids with special needs to help him acclimate to social settings, and we found the Y's Saturdays in Motion (SIM) program. At SIM, Connor thrives. We've watched him mature, address his fears, and happily engage with others; he especially loves the pool time. While he plays, we can connect with other parents. The staff and volunteers care about our families and the Y ensures SIM is accessible to all. We feel like we belong... it is our community."
