YOUR GIFT MAKES IT POSSIBLE... MEET MADISON

"My wife and I are so grateful to the Y for introducing our daughter, Madison, to swimming. Through the Y's program, she has become very excited to improve her swim skills. When she first started, the distance of the pool was daunting. But the Y's staff supported and encouraged her to go the distance. Teaching children how to swim is hugely important, and I am thankful Madison has this opportunity. It is building her confidence and will keep her safe. It is teaching her not only to go the distance in the pool, but also in life." – Robert
