YOUR GIFT MAKES IT POSSIBLE... MEET INGE

When my son was a toddler, we participated in the Y's Water Babies class, a wonderful program to introduce children to water safety in the pool. Years later, my son's children enrolled in Y swim lessons to learn the valuable skills of swimming and water safety. As I cheered my grandchildren on from the pool deck, the water looked so inviting that I began to explore options for me to be a part of this community and use this wonderful facility. I discovered a multitude of Aqua Exercise offerings that I could take part in and have done so over the years. Water makes exercising enjoyable while treating my joints gently and making me stronger.

I am grateful to the dedicated and professional Y staff. Our Aquatics instructor is caring, knowledgeable, and keeps me motivated. I personally can attest that my flexibility and strength have improved significantly since I joined the program. I know that I am doing something that is good for me. The aquatics program and staff make me feel better. My family and I have benefited from the Y and It makes me smile every time I go there. - Inge

The Impact of Your Generosity

When you donate to Princeton YMCA, you have an extraordinary opportunity to make a meaningful difference right in your own neighborhood.
