YOUR GIFT MAKES IT POSSIBLE... MEET TAMMY

“In 2023, I faced a second battle with cancer while unemployed. After intense chemotherapy treatments, I needed support to recover. I reached out to the Y and, to my surprise, they offer a cancer recovery program at no cost to participants! LIVESTRONG at the YMCA was exactly what I needed – to rebuild my strength, both physically and mentally, without the constant worry of cancer and finances. The sessions were effective and fun – filled with laughter and camaraderie. Through the program, I regained physical vitality and made friends. The supportive, knowledgeable, and compassionate staff played a key role in my healing journey. The Y’s generosity didn’t end at the last program session. They provided financial assistance for a membership so I could continue my progress. To everyone involved – participants, staff and generous donors – I offer my heartfelt gratitude. This opportunity has made an immeasurable difference in my life.” – Tammy
