# YOUR GIFT MAKES IT POSSIBLE... MEET GLENDALYN

“My first experience with the Y was when I was a shy, quiet 8-year old. I had moved from a different school district and making friends was a challenge. At After School Care and Summer Camp, the Y staff helped me step out of my comfort zone, try new things, and make friends. The Y is a place where I feel safe and supported. Now that I’m a little older, the Y is helping

me to prepare for college in the Achievers program. I realize that the Y has helped me to become brave and confident. I’ve learned the importance of staying true to yourself and to find commonalities with others; this is what builds lasting friendships. The Y has always made a positive impact on my life; I feel it in my personal growth, improved social skills, and strengthened self-assurance.” – Glendalyn
