YOUR GIFT MAKES IT POSSIBLE... MEET CLAUDIA

“LIVESTRONG at the YMCA has had an important impact on my life; I have recovered a “sense of normalcy” after my cancer treatments. The Y’s coaches helped to improve my muscle strengths, balance, flexibility and overall physical functioning. I’ve learned how physical activity can manage the side effects of cancer – anxiety, fatigue, and, in my case, osteoporosis – how to cope with new treatments, how to make choices that support good nutrition, and to make proper lifestyle modifications that enhance my overall well-being.

Also, unexpectedly, the program offered holistic support and counseling through a community of survivors, which made me feel less isolated! I am extremely thankful to the YMCA for making this program possible! The program helped me believe that it is possible not just to survive, but to live a happy, healthy, and great life again!” – Claudia
