# YOUR GIFT MAKES IT POSSIBLE... MEET SHANTASIA

“Without the YMCA’s after-school care program, securing consistent and reliable childcare would be extremely challenging. Each day at pickup, my two children express a strong desire to remain longer, which reflects positively on the quality of the program, the care provided by staff, and the meaningful relationships they have developed.

As a single parent, managing the rising cost of living presents ongoing challenges. At ages 8 and 10, my children are not old enough to be home alone after school, making dependable childcare essential for maintaining employment and supporting my household. The YMCA’s financial assistance has made it possible for me to continue working while ensuring my children are in a safe, structured, and supportive environment.

This program provides significant academic, social, and developmental support for my children and offers invaluable peace of mind. The after-school care program has been a vital resource for my family, and I am sincerely appreciative of the support it provides.” – Shantasia
