# YOUR GIFT MAKES IT POSSIBLE... MEET CRYSTAL

“When I learned I was prediabetic, last year, it was around the same time I lost my job. My doctor recommended a prevention program, but they were too expensive. I was so discouraged. Then, I saw a flyer for the YMCA’s Diabetes Prevention Program; the fact that it was offered at no cost gave me hope. The Y coaches encouraged me every step of the way – through nutrition, exercise, and lifestyle tips – and the participants became like family. I’m happy to say that I achieved meaningful results... I met my goals, lost weight, lowered my A1C level, and I am no longer prediabetic!

I am deeply grateful to the YMCA, its caring staff, and the generous donors who make life-changing programs like this possible. Thank you for helping me to stay healthy.” – Crystal
