# YOUR GIFT MAKES IT POSSIBLE... MEET WILSON

"As a shy high school freshman, public speaking and communicating with others felt overwhelming. To push beyond my comfort zone, I joined the Y's Achievers program. In Y Achievers, I gained confidence, friendships, and real-life skills. The Y's staff believed in me, listened to me, and challenged me to grow. Through their support, I found my voice and became more outgoing. I also learned to manage money, build a résumé, and prepare for interviews. Now, I have goals that I never had before joining the Y. I plan to attend a four-year college and pursue a degree in finance and accounting. The Y is a safe, supportive space where young people, like me, are seen, heard, and empowered to build a better future." – Wilson
