YOUR GIFT MAKES IT POSSIBLE...

MEET TRICIA

“The Y has become a safe, welcoming place where my foster children finally feel included and supported. The staff consistently show up as caring role models, creating stability and connection during times of uncertainty. For our family, the Y is more than a resource; it offers a sense of belonging we didn’t know we were missing.

The swim lessons are incredibly important; they have helped my children gain confidence, resilience, and essential life skills. Through the Y’s programs and financial assistance, my children, including my son who overcame early health challenges, have grown academically, socially, and personally in ways that once felt out of reach.” – Tricia
